

## Choose Napier to live and work! Don't wait apply now!

We have an exciting opportunity for a talented **Nurse Manager** to lead and manage our nursing teams across **The Doctors Napier Group**. We are looking for someone who can create opportunities, bring clinical excellence, along with great ideas for productive and efficient methods of working, with a passion for primary care.

### If you are an experienced nurse manager this is the role for you.

Our Nurse Manager plays an essential role in the advancement and development of our nursing team within general practice.

The Doctors Napier group is a great place to work, with plenty of professional opportunities for enhanced healthcare!

### This is a 40 hour per week role worked over 5 days - Monday to Friday.

The Nurse Manager leads the nursing team, which includes Registered Nurses, Enrolled Nurses and Health Care Assistants, to provide safe, high quality, efficient and effective nursing service to our practice population.

You will be responsible for the day-to-day leadership and management of the nursing team, collaboration with the centre leadership, development and implementation of new and existing models of care and the recruitment of your team. You will also undertake a clinical component that may include the training and development of staff along with your own self learning and clinical advancement.

North Island's premier coastal city, Napier - home to many world-class vineyards and wineries, beautiful landscapes, stunning beaches, and art deco architecture. Additionally, Napier is a popular tourist destination where you can enjoy excellent cafés and restaurants, boutique shopping, cycling and hiking, and many concerts and cultural events such as the annual Art Deco Weekend festival.

### Key attributes include:

- ✚ Leadership and management experience.
- ✚ You must be NZ registered with current practicing and CPR certificates.
- ✚ Your practice aligns with the principles of The Treaty of Waitangi.
- ✚ Strategic planning experience.
- ✚ Clinical experience and passion for, primary care and primary care nursing.
- ✚ Proven quality improvement experience.
- ✚ Postgraduate qualification is highly desirable.
- ✚ Great communication skills at all levels.
- ✚ Advanced computer skills.

### What do we offer:

- ✚ Great remuneration.
- ✚ Relocation support offered.
- ✚ Be part of a dynamic and innovative group.
- ✚ Manage large multi-site operation.
- ✚ Endless opportunity for growth and development.
